## REASONS TO PURCHASE A DIAMOND PACK

*The Max Diamond Pack costs approx \$1100\* and is the most popular starting option for serious business builders. Here are 5 reasons to seriously consider it:*

### **1. \$400 savings - \$1,500 worth of product and supplies for \$1,100 :**

- o MaxGXL - 14 "30 Day" Boxes
- o 1 pack of MaxGXL Brochures,
- o Max4U Web Site Subscription for 3 months
- o 1 pack of Science and Success DVD's,
- o 5 Dr. Keller audio CD's and
- o 1 flip chart.
- o Eligible to participate in the Fast Track to Bronze, Silver & GOLD Plan
- o Eligible to earn DOUBLE Global Bonus Pool Shares
- o 6 Months Qualification for Tier 2 Matching Bonuses

### **2. You get more product for personal use and to build your business with.**

We have proven that your Max business will build much faster with a "try it you'll like it" approach, which requires that you *give people "sample" products*. The Diamond Pack has enough product in it to "sample out" Max GXL to about 15 individuals or 7-8 couples. If you are shooting for GOLD in 30 days with 12 direct Diamond Pack Associates, you may want to consider ordering an additional 10 pack of Max GXL for your sampling campaign.

### **3. You are positioned to earn more income!**

You get "grand-fathered" for "Tier 2 Matching Bonuses" for 6 months, you are eligible to participate in the Fast Track To GOLD Plan and earn DOUBLE shares in the Global Bonus Pool!"

### **4. Because the way you "start" sets the precedent that your entire team will tend to duplicate forever.**

Every person you ever sponsor will usually ask "how did YOU start?", and 70-80% of the time they will start the same way. Because you only "start" one time, you have to answer that question the same way even if it's 10 or 20 years from now! Also, the people you sponsor will get asked the same question, with the same result. Consequently, you need to start the way you want your team to start! And this is not just to get them to spend more money - - it's so they too will have more product for personal and "try it you'll like it" business use, they too will get grandfathered for Matching Bonuses, the Fast Track Plan and Triple Bonus Pool Shares, which optimizes their income, etc.

### **5. Because setting this precedent will earn you and your team a lot more income short term AND long term.**

Every time you sponsor someone who purchases a Diamond Pack, you will earn a \$225 Fast Track Bonus - - meaning that if you purchase a Diamond Pack and sponsor 4 new associates who do the same, you'll have earned your \$899 back. Having this same "Diamond Pack Model" / Fast Track to GOLD Plan occurring consistently on your team will create a lot more team income and volume than any other building model. The bottom line is that the way you start can have a huge impact on your income, volume, team growth, story, momentum, and ultimately your success. So once again, if at all possible start with a Diamond Pack!
